## CATALOGUE

**NZ TIMBER PROFILES**  
A division of Papakura Joinery Limited

From humble beginnings in 1957, Papakura Joinery Limited has grown into one of the leading joinery manufacturers and timber machinists in the country.

In 2010 a new division NZ Timber Profiles was formed to meet the growing demand for high quality timber mouldings by discerning customers.

NZ Timber Profiles offers unique products and services for builders, architects, designers and homeowners.

Our profile matching service enables us to replicate any profile shape, from heritage mouldings to custom designs.

The strength of the NZ Timber Profiles business is built on:

- Our 50 years industry experience
- State of the art machine operations
- Fast turn-around times
- Custom profile matching service
- Highest quality product
